

MEMBER BENEFITS

Our mission is to educate industry on the importance of testing, calibration and inspection, whilst auditing and educating testing, calibration and inspection service providers to ensure compliance with standards, providing a safe workplace for all.

At Master Calibrators Association (MCA), we take our mission statement seriously. To ensure we always deliver on our promise we will:

1. Promote the Master Calibrator's brand as a sign of quality through various marketing and PR campaigns
2. Promote the importance of testing, calibration and inspection through editorials and advertisements
3. Provide technical support to our members
4. Conduct and publish independent research
5. Lobby Government to increase legislation around testing, calibration and inspection, and ensure the safety of all workers
6. Create and promote guidelines with the aim of becoming codes of practice or standards
7. Provide IR advice to members
8. Offer discounted insurances to members

In addition, **Accredited Members** will be annually audited for compliance with ISO17025, ISO9001, AS/NZS4801 and our national guidelines to develop best practice. They will also be able to use the MCA accredited name and logo, a true sign of quality.
